

Unlocking

The Story *Within The Story*

WHAT WAS REALLY HAPPENING IN THE BIBLE? *THE STORIES WITHIN THE STORIES*

Hidden within the known is the unknown. Hidden within the visible is the invisible (*Col. 1:16*). Hidden within the obvious surface stories we read in the Bible are the deep inner-workings of God's Kingdom. With spiritual eyes, we can see not only the hand of God at work, but we can also peer into the strategies of evil that secretly work to derail God's assignment for us on earth.

In this next series, I invite you to walk with me behind the scenes of Scriptural accounts to view the hidden dramas that few perceive. We'll delve into intrigue and conspiracy of the evil one and the preeminent wisdom and sovereign purposes of God working in the lives of people. Here are just a few of the "Stories Within the Stories" that we'll be unlocking:

- Why God Didn't Just Destroy the Devil as Soon as He Rebelled
- Why God Doesn't Stop Demonic Forces from Trying to Influence You
- The Unseen Battle that Rages Over Your Children's Destinies
- The Real Reason Why Judas Betrayed Jesus
- Why God Chose a Terrorist to Write Half of the Books of the New Testament

Join me for these weekly insights into Scripture. ***BY THE WAY, YOU'LL ALSO LEARN THE "STORY WITHIN THE STORY" OF YOUR LIFE AS WELL.***
